# Barry's quick guide to...

## Cheaper living using voucher codes

**1 Compare the prices** – Compare the best prices first via sites such as www.foundem.co.uk www.kelkoo.co.uk www.shopping.com and www.pricerunner.co.uk This ensures that you're cutting the cost before you've even used a voucher code.

**2 Check the sites** – Check out the major discount code sites www.everydaysale.co.uk www.myvouchercodes.co.uk and www.vouchercodes.co.uk

**3 Sale time** – Take advantage of sale time when free delivery codes are offered. Also keep your eyes open for loss-leader codes where retailers offer an amazing discount on a specific product to attract attention.

**4 Be an early bird** – Log on at the start of the month. This is the time when the majority of voucher codes hit the websites.

**5 Be on the ball** – Some of the biggest discount voucher codes are strictly time-limited. Some can last for only a few days, even hours.

**6 Become a fan** – Check out social networking sites such as Facebook and Twitter for voucher code sites. Becoming a fan of voucher codes means you'll get first nod on exclusive deals and offers.
